Instructions

Pour half (total of 1 tsp oil/sand in recipe) of the olive oil (or can use nonfat spray) in pan to saute peppers and onions; add roast beef. Saute until onions are translucent and mixture is 165 degrees.

While beef, peppers and onions are cooking, place cheese slices on half of bread slices and spread horseradish sauce on cheese (about 1 tsp/sandwich). Top cheese-horseradish sauce with beef mixture, divided among sandwiches. Add other slice of bread. Brush remaining olive oil on outside of sandwich (both slices of bread).

Grill sandwiches on Panini Grill (or regular grill turning as each side gets toasted) until golden brown. Serve immediately.

OR prepare sandwiches and individually wrap in foil and Bake at 350 degrees approx 20-30 minutes and serve (foil wrapped sandwiches can be sent to satellite kitchens cold and baked there if time allows).

1 sandwich per serving

1 sandwich = 2 CS

Food Handling :

- Wash hands immediately before engaging in food preparation and again after engaging in any activities that contaminate the hands.

Cooking :

- Cook to an internal temperature of 155 F for 15 seconds.

Holding :

- Hold for hot service at an internal temperature of 135 F or higher.
